Weather Camp 2010 Application Checklist

Please provide all the items listed below for the application process. Only **completed** packets will be reviewed by the NCAS office. The application packet may be mailed or hand-delivered.

Application: See reverse side of this form.

Please submit a **cohesive and compelling** typewritten personal statement (*1 page maximum, single spaced, 12 point – Times New Roman font*) which addresses the following questions:

- Why are you interested in weather?
- What do you hope to learn from the weather camp?
- Why should you be accepted into the weather camp?
(*please add anything else that we should know about you*)

Two letters of Recommendation (one **must** be from your science teacher). These should not only detail past information but also why you would be a prime candidate for weather camp.
(*These should be provided by non-family members and **MUST** be enclosed with the application*)

Official high school transcript

- ❖ Remember to fill out the application form in its entirety.
- ❖ Print clearly or type your information on the application form.
- ❖ Considerable weight will be given to the letter of recommendations and the personal statement, so please include them with the application.

Completed Application Packages will be accepted until all slots are filled.
